

The background of the slide is a composite image. On the left side, there are several slices of watermelon, showing their bright red flesh and white rind. On the right side, there is a wooden house with a light-colored exterior and a dark green door. The house is partially obscured by the watermelon slices.

The Metropolitan Action Commission
HOPE Program began the program
closeout phase on July 1, 2022. We will
no longer post program application data
on a weekly basis.
