The full program is **June 3rd – July 19th**

June 3rd – June 5th: Interns attend assigned worksite for scheduled times.

June 6th: Interns attend Summer Employment Summit at 9:00am at Sheraton Music City Airport
777 McGavock Pike Nashville, TN 37214

June 7th: Interns return to assigned worksite for scheduled times.

June 10th – July 19th: Interns report to their assigned worksite location for time scheduled by agency. You will be scheduled to work **4.0 hours** Monday thru Friday which equals **20 hours** per week.

July 18th or 19th: POWER Youth Summer Employment Program - End of Summer Celebration – Team Members can showcase their projects from the summer.

If you are selected as a Experience Work Intern Team Member, you will make **\$12.00 an hour** and receive a summer program with work experience employment for youth ages 14 -15.

Experience Work Interns work experience is an opportunity to receive work experience from several companies that serve Davidson County area which could assist you with leadership skills and community development. In addition, you will learn "work ready" skills for future employment. There are opportunities to intern in many areas of Nashville, so please select the opportunity based on your access to transportation.
