

MAC Head Start & Early Head Start Disability Services

Is your child Eligible?

If your child has an IEP, IFSP, or a diagnosed disability, such as:

- Speech or Language Impairment
- Health Impairment
- Autism
- Developmental Delay
- Hearing or Visual Impairment

he or she could qualify for enrollment in Early Head Start (birth-3 years) or Head Start (ages 3-5)

About our program

Metro Action Head Start and Early Head Start program offers high quality early childhood education, wellness, and school readiness. Children in our program receive vision, hearing, and other health screenings and referrals for services needed and help prepare your child for Kindergarten!

Our Head Start & Early Head Start program serves children and families at 7 locations in Nashville and Davidson County Monday- Friday from 8 AM to 2 PM.
