## Board of Zoning Appeals Checklist

- For commercial projects or large multi-family developments we encourage you to have a pre-submittal meeting with the board secretary prior to submitting for the building permit and appeal. You can request a meeting at [BZA@nashville.gov](mailto:BZA@nashville.gov)
- All appeals except an Item A appeal require a building permit to be started before the BZA submittal. Questions regarding how to apply for a building permit can be directed to [zoninghelpdesk@nashville.gov](mailto:zoninghelpdesk@nashville.gov)

### Item A Appeals

Item A appeals are appeals pertaining to the Zoning Administrator's interpretation of the zoning ordinance. Persons submitting appeals for an Item A appeal must provide a cover letter that addresses the reasons for the appeal. This letter must state with specificity what section of the zoning ordinance you are challenging. Letters of a general nature will not be accepted for filing.
