

Notice of Intent to Award

Solicitation Number	387371	Award Date	2/20/2025 7:22 AM CST
Solicitation Title	Annual Metro Right of Way and Metro Property Construction		
Buyer Name	Daniel Drumwright	Buyer Email	Daniel.Drumwright2@nashville.gov
BAO Rep	Angie Martin	BAO Email	Angie.Martin@nashville.gov

Awarded Supplier(s)

In reference to the above solicitation and contingent upon successful contract negotiation, it is the intent of the Metropolitan Government of Nashville and Davidson County to award to the following supplier(s):

Company Name	Walker Building Group LLC	Company Contact	Steve Jobe
Street Address	617 Locust Street		
City	Nashville	State	TN
		Zipcode	37207

Company Name	Middle Tennessee Infrastructure, Inc	Company Contact	Robin Carroll
Street Address	105 Homewood Drive		
City	Murfreesboro	State	TN
		Zipcode	37127

Company Name	Roy T. Goodwin Contractors, Inc	Company Contact	Alex Lee
Street Address	2620 Locust Street		
City	Nashville	State	TN
		Zipcode	37207

Certificate of Insurance

The awarded supplier(s) must submit a certificate of insurance (COI) indicating all applicable coverage required by the referenced solicitation. The COI should be emailed to the referenced buyer no more than 15 days after the referenced award date.

Equal Business Opportunity Program

Where applicable, the awarded supplier(s) must submit a signed copy of the letter of intent to perform for any and all minority-owned (MBE) or woman-owned (WBE) subcontractors included in the solicitation response. The letter(s) should be emailed to the referenced business assistance office (BAO) rep no more than two business days after the referenced award date.

☒ Yes, the EBO Program is applicable.

☐ No, the EBO Program is not applicable.

Monthly Reporting

Where applicable, the awarded supplier(s) will be required monthly to submit evidence of participation and payment to all small (SBE), minority-owned (MBE), women-owned (WBE), LGBT-owned (LGBTBE), and service disabled veteran owned (SDV) subcontractors. Sufficient evidence may include, but is not necessarily limited to copies of subcontracts, purchase orders, applications for payment, invoices, and cancelled checks.

Questions related to contract compliance may be directed to the referenced BAO rep.

☒ Yes, monthly reporting is applicable.

☐ No, monthly reporting is not applicable.

Public Information and Records Retention

Solicitation and award documentation are available upon request. Please email the referenced buyer to arrange.

A copy of this notice will be placed in the solicitation file and sent to all offerors.

Right to Protest

Per MCL 4.36.010 – any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the purchasing agent. The protest shall be submitted in writing within ten (10) days after such aggrieved person knows or should have known of the facts giving rise thereto.

Evaluation Comments

Leland, Inc
Strengths
Included resumes for all managers, supervisors, and other key individuals including sub-contractors of the proposed team. Provided the anticipated percentage of time for key individuals to be dedicated to the project. Provided an organization chart including all key individuals proposed and demonstrating team relationships. Described the various team members' successful experience in working with one another on previous projects. Listed the major construction projects the firm has in progress, listing the name of the project, value, percent complete, and anticipated completion date. Provided the average annual dollar amount of construction work performed during the past five (5) years. Provided claims, lawsuit, liquidated damages, and failed project completion status Identified risks the firm would anticipate on this type of project, and provided countermeasures that would be employed to minimize those risks. Identified key activities and/or challenges directly related to this type of project. Described in detail how work for Metro will be prioritized given your current projects and obligations. Described the scheduling and cost control systems proposed to use for the Project, and ability to provide reports to Metro. Provided a summary of approach to maintaining a safe work environment on the Project and described how firm would address any unique safety issues that this venue presents. Described in detail how firm will coordinate all aspects of work within and outside of the construction site.
Weaknesses
Lack of relevant qualifications and experience in the scope of this project presented in proposal. Referenced projects not of a similar size. scope, and complexity. Limited involvement in in referenced project experience as the prime contractor. Lack of details on roles of key individual relative to the scope of this project. Limited experience with the development and construction of right -of-ways. Experience Modification Rating (EMR) and firm's safety record, environmental compliance record and OSHA reportable accident rates not based on similar projects. Lack of capacity to complete work based on project team size. Lack of detail and information provided for how methodology and approach will be executed. Lack of detail provided for firm's approach to managing this project including the identification of clearly defined project management process, tasks, and deliverables. Lack of detail on the scheduling and cost control systems proposed to use for the Project. Lack of detail related to procedures for tree inventory, preservation, and removal. Lack of detail related to capability and approach to providing pre-construction services. Vague information provided for practices and processes in monitoring and managing construction activities and subcontractor performance so as to minimize requests for change orders.
Middle Tennessee Infrastructure, Inc
Strengths
Identified key individuals on the project team, including any subcontractors. Described the project role, relevant qualifications and experience with similar projects that demonstrate ability, capacity, skill, and number of years' experience in providing the required services particular in working on similar type scoped projects for project team members. Included resumes for all managers, supervisors, and other key individuals including sub-contractors of the proposed team. Provided the anticipated percentage of time for key individuals to be dedicated to the project. Provided relevant completed project experience on at least 4 projects for the Prime and subcontractors. All reference projects of a of similar size, scope and complexity. All referenced projects completed within the last 3-5 years. Detailed firms successful experience in working with one another on previous projects. Listed the major construction projects the firm has in progress, listing the name of the project, value, percent complete, and anticipated completion date. Provided the average annual dollar amount of construction work performed during the past five (5) years. Detailed firm's and proposed subcontractor's Experience Modification Rating (EMR) and firm's safety record, environmental compliance record and OSHA reportable accident rates on similar projects. Provided claims, lawsuit, liquidated damages, and failed project completion status. Provided a general project management methodology that will be employ on this project in accordance with Metro's guidelines. Described in detail firm's approach to managing this project including the identification of clearly defined project management process, tasks and deliverables. Identified risks the firm would anticipate on this type of project, and provided countermeasures that would be employed to minimize those risks. Identified key activities and/or challenges directly related to this type of project. Described in detail how work for Metro will be prioritized given your current projects and obligations. Described the record keeping, reporting, monitoring and information management systems proposed to use for the project during all construction phase. Described the scheduling and cost control systems proposed to use for the Project, and ability to provide reports to Metro and other. Described capability and approach to providing Pre-construction services, including cost estimating, constructability review, phasing, scheduling, value engineering and other preconstruction planning. Described practices and processes in monitoring and managing construction activities and subcontractor performance so as to minimize requests for change orders from the Construction Manager or subcontractors and avoid or mitigate construction related disputes. Provided a summary of approach to maintaining a safe work environment on the Project and described how firm would address any unique safety issues that this venue presents. Described in detail how firm will coordinate all aspects of work within and outside of the construction site.
Weaknesses
Lack of detail related to key individuals and responsibilities listed on organizational chart. Lack of detail related to proposed project team and field level personnel that will be utilized to complete the project. Lack of detail related to referenced project schedules and timelines. Lack of detail related to procedures for tree inventory, preservation, and removal management. Lack of detail on the scheduling and cost control systems proposed to use for the project.
Roy T. Goodwin Contractors, Inc
Strengths
Identified key individuals on the project team, including any subcontractors. Described the project role, relevant qualifications and experience with similar projects that demonstrate ability, capacity, skill, and number of years' experience in providing the required services particular in working on similar type scoped projects for project team members. Daniel,

Please accept this as my final assessment for the referenced RFQ# 387371 Annual Metro Right of Way. All the awardees are compliant with the EBO program having either met the established EBO subcontracting goals or provided sufficient Good Faith Efforts. SBE amounts have been confirmed for all awardees. These contracts will require B2GNow monitoring. Please see attachments.
