MUSICIANS DISCOUNT

ABOUT THE PROGRAM

The Metropolis Musicians Discount Program is a partnership between the Mayor's Office of Nightlife, Nashville Musicians Association AFM Local 257, the Committee for Downtown Musicians & Workers and the Music Venue Alliance Nashville (MVAN) that gives local musicians substantial parking discounts at lots near Lower Broadway and close to venues across the city.

Spearheaded by Metropolis, this innovative discount program was created to support the talented folks who help make our city the fantastic global destination for music it is.
