FOR  
SCMs FOR REGULATED RESIDENTIAL INFILL**

SWSF Permit No.: Valid SWSF #

Being on the Property conveyed to NAME(S) OF CURRENT OWNER, the ownership deed for which is of record in Instrument No. OWNERSHIP DEED, R.O.D.C., Tennessee.

NAME(S) OF CURRENT OWNER (individually or collectively, the “Declarant”), the owner of the real property described in Exhibit(s) A attached hereto and incorporated herein by reference (the “Property”), does hereby covenant, agree and declare as follows:

1. Declarant is lawfully seized of the Property and possessed of said land in fee simple and has good right to make the following declarations and covenants.
2. Declarant has prepared and submitted to Metro a Long Term Maintenance Plan (the “Plan”) acceptable to Metro, a copy of which is attached hereto, and shall thereafter provide for adequate long term maintenance and continuation of the stormwater control measures/green infrastructure control practices described in the Plan to ensure that all stormwater systems (“Systems”) required by the Plan are and remain in proper working condition in accordance with the Plan and with all applicable rules, regulations and laws. Declarant shall perform preventative maintenance activities at intervals described in the inspection schedule included in the Plan along with necessary landscaping (grass cutting, etc.) and trash removal as part of regular maintenance.
3. Declarant shall submit to Metro an annual report by July 1<sup>st</sup> of each year or as requested by Metro. The report shall document the inspection schedule, times of inspection, remedial actions taken to repair, modify or reconstruct Systems, the state of stormwater control measures/green infrastructure control practices, and notification of any planned change in responsibility for such Systems.
4. Declarant hereby accords to Metro and its employees, agents and contractors a perpetual right of entry at reasonable times and in a reasonable manner for the purpose of inspecting or operating the Systems.
5. Declarant hereby accords to Metro and its employees, agents and contractors a perpetual right of entry for access from public rights-of-way to the Systems.

6. If, upon inspection, Metro determines that Declarant has failed to properly maintain the Systems in accordance with the Plan, the Declarant acknowledges that Metro will in that event have the authority to order Declarant to perform such maintenance within ten (10) days. Declarant acknowledges and understands that Metro is under no duty or obligation to maintain or repair the Systems.
7. Declarant shall reimburse Metro in full upon demand in the amount of any judgment rendered against Metro due to Declarant's failure to perform the obligations created by this instrument.
8. The Property may be used for any lawful purpose desired after the construction of all of the Systems, provided that structural change, in the opinion of Metro (the discretion to give such opinion on behalf of Metro may be exercised by the Director of Water and Sewerage Services, or the Director's designee), will not destroy, weaken or damage them or interfere with their operation or maintenance. Additionally, prior to any changes or additions to or relocation of the improvements, the Declarant, successors and/or assigns must demonstrate to the satisfaction of the Director of Water and Sewerage Services that any such proposed change, addition, or relocation will not eliminate the improvement or interfere with or significantly change its needed operation, or otherwise pose a danger to the public health or safety. A map depicting any approved change, addition, or relocation of the improvements shall be recorded with reference to this instrument number.
9. These restrictions and covenants under this instrument shall become void if the structures on the property are demolished, the property is prepared for redevelopment.

The Declarant shall provide this executed document along with associated recording fees (payable to the Davidson County Register of Deeds) to Metro Water Services for the purpose of recording this Declaration. Upon the recording of this Declaration by Metro in the office of the Register of Deeds for the county of Davidson, Tennessee, the foregoing restrictions and covenants shall run with the land and shall be binding on Declarant and all subsequent owners of the Property (or any portion thereof) and shall inure to the benefit of and be enforceable by Metro, its successors and assigns (although Metro's failure to exercise its enforcement rights in any particular situation shall not be deemed a waiver of them). Declarant, for itself and its successors in interest, further covenants to warrant and forever defend Metro's enforcement rights regarding the foregoing restrictions and covenants against the adverse claims of all persons. The foregoing covenants and restrictions may not be modified or amended except by a recorded instrument signed by Declarant and Metro (the discretion to do so on behalf of Metro may be exercised by the Director), or their respective successors or assigns, and shall not be extinguished by merger of title or otherwise.
