The family is dealing with the challenges of a broken home and has no means to obtain car seats. I reached out to Stacy Pecenka from the Trauma Injury Prevention Program, who, in collaboration with Marlo Carroll Jr. from Vanderbilt Children's Hospital, generously donated three car seats for the family. I helped educate the family on proper car seat use and also installed the car seats for them.

I will be arriving between 0600-0630hrs for set-up time 0645-0715. Students will be allowed in at 0730hrs. Once students arrive, they will receive our MNPD/OCOP Police sticker badges which they will be encouraged to wear throughout the day. Once the announcements began that will conclude the morning meet and greet. I will then breakdown, began transitioning into the cafeteria to set-up for the ...Lunch Bunch!!!!!! The reason behind our Elementary Initiatives, the mornings "MEET and GREETs" and our "LUNCH BUNCH" These are the two most effective ways for MNPD to meet to greatest number of our students in the elementary schools without interrupting their academic schedule. So once that initial contact is made with the students, teachers, support staff, and administrators, and in some cases the parents. Then we can build from there.

So, if able come on out. The "Lunch Bunch" will consist of having our display table set-up with lights, music.....Old Skool Hip Hop and a lot of FUN as we simply spend time with the students throughout their lunch, and don't forget to tell them "Bye SUGAR....Bye PRECIOUS... Bye Y'ALL... Take Care Of Each Other... as they line up to return to their classrooms. The LUNCH BUNCH is very informal, if your able to come out just for (5) five minutes we'll give you the mic and give you 30 seconds to let you introduce yourself and give them a super, super, super quick encouraging word, one or two high fives and you're on your way.
