# May Report Highlights

OHS continues to monitor spring storms through our Emergency Services Manager and in partnership with Chief Swan at OEM. During storms, OHS continues to provide bus passes, dispatched rides, and safety checks at encampments to provide resources to keep individuals safe.

As the Federal Funding environment continues to evolve, the homelessness service provider community continues to coordinate, prepare and communicate. OHS, as the Collaborative Applicant and CoC Hud Lead, is facilitating ongoing meetings with the CoC HUD funded agencies, allowing them to collaborate with each other and to develop contingency plans to ensure that services will continue.

The Hospitality Hub of Memphis is operating in Nashville in order to serve the interim housing residents at 95 Wallace Rd. OHS is coordinating with them as they continue to welcome new guests from Anthes Drive.

Shelby House, a development that received funding from the Affordable Housing Gap Financing program, with allocations of \$2,100,000 and \$712,544 is in discussions to restore these funds to MDHA. OHS's Landlord Engagement Team is actively working with all Affordable Housing Gap Financing recipients to support both property staff and residents.

## Affordable Housing Gap Financing (AHGF) Program Updates:

- In total, the AHGF program awarded **\$16,617,591.67** to create **102 AHGF units** while providing needed gap financing to projects that will create **810 affordable units**.

\*\*Prior to receiving ARP funds, Community Care Fellowship received CARES (Coronavirus Aid, Relief, and Economic Security) funding to operate their shelter programs. A recent review of these programs showed that an error had been made in identifying the ending date of the CARES funding and the beginning of the ARP funding. As such, the number served under the ARP funding has been edited to reflect the correct number served.
